Registrant Transformation Efforts Survey

Diversion Control Information Technology Modernization Effort

Industry Survey -- Introduction

This survey's purpose is to help the Diversion Control Division improve the applications developed for DEA registrants and other services provided to the registrant community. Questions about the survey may be directed to Diversion.Control.IT.Modernization.Survey@dea.gov.

This survey will not address questions of policy or guidance. Please direct input regarding policy or guidance to DPW@dea.gov.

General

Please select your business category (ies). If you have registrations covering multiple business categories, please ensure that you take that into account as you respond to the survey questions.
